Yorkshire Marathon and 10 Mile 2016

Sunday 9th October 2016

Dear Resident / Business Owner

I am writing to thank you for your support across the first three years of the Yorkshire Marathon. Along with the addition of the Yorkshire 10 Mile last year, the Yorkshire Marathon weekend is now a highlight of York's sporting calendar.

When we launched the Yorkshire Marathon in 2013, we couldn't have imagined the fantastic support we have had from the City and villages on route. From locals decorating and lining the streets both in support and as volunteers, to the now famous high-fiving vicars; your support is what truly makes the event for the thousands that take part.

As you may recall, we have previously distributed two copies of the road closure poster each year (one in August and one around two weeks before the event). With the event now well established, we will only be circulating the road closure poster in one distribution approximately three weeks before event day. Detailed information is available online and the team are always happy to help with any specific access enquiries.

The 2016 event takes place on Sunday 9th October with some road closures and parking suspensions in place on Saturday 8th October. Please see the route map overleaf and visit www.theyorkshiremarathon.com for specific road closure information and timings.

Our events have seen huge success over the years, with places selling out every year and much-needed funds being raised for a variety of good causes both locally and nationally. The marathon is sold out but entries are now open for this year's 10 Mile event so if you are interested in taking part please visit www.theyorkshiremarathon.com.

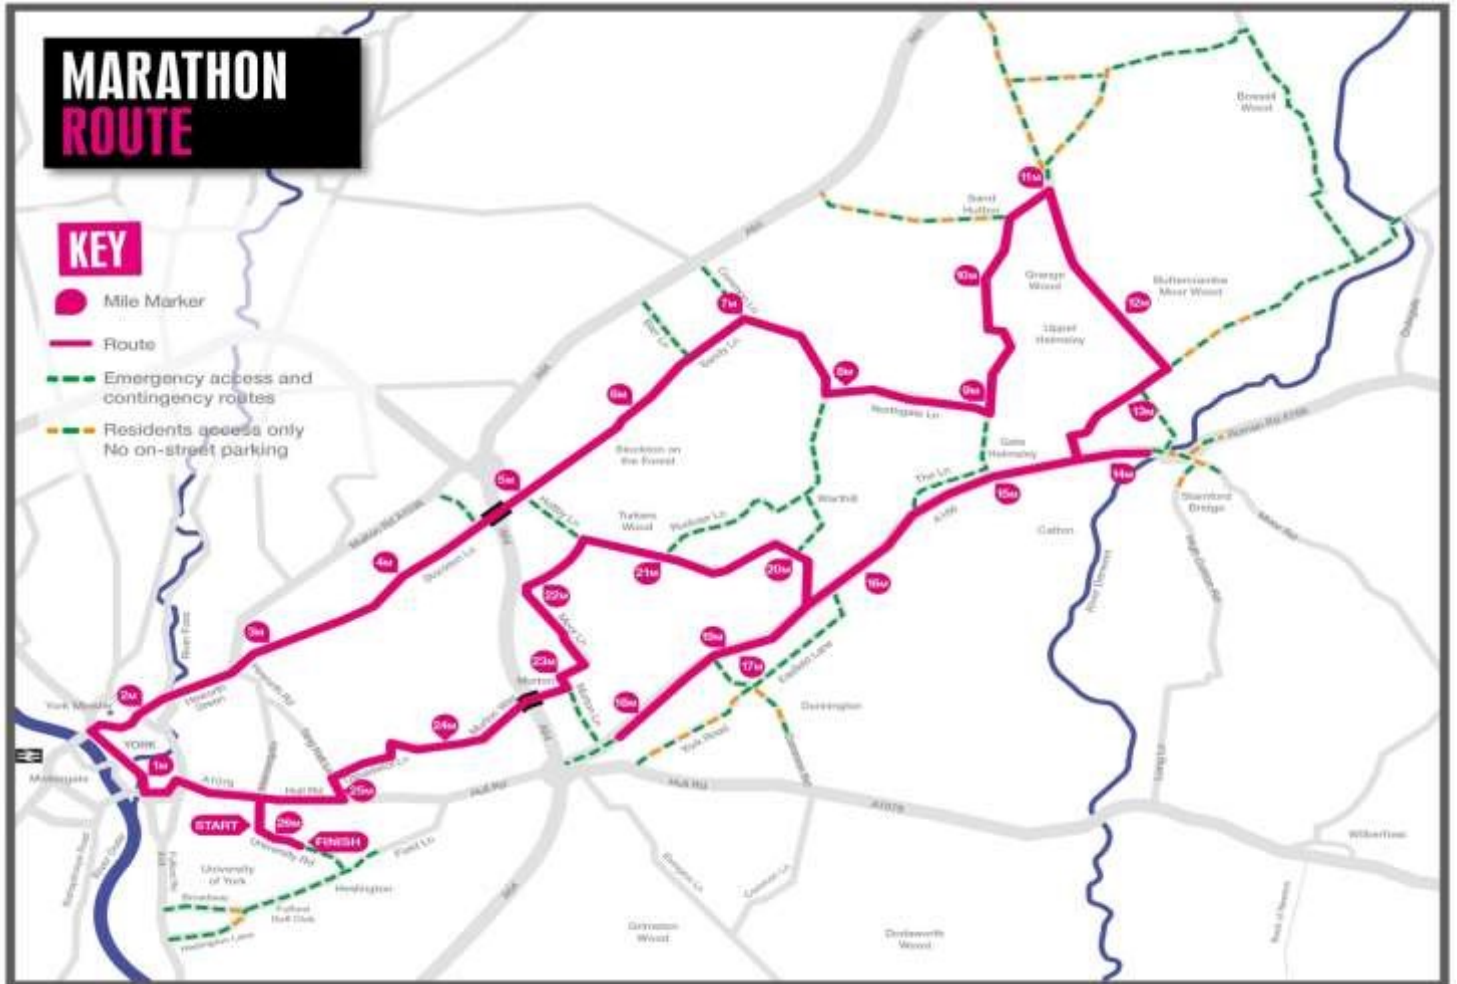

Alternatively, why not join our fantastic team of Yorkshire Marathon volunteers and help make a difference to our thousands of runners. Simply register online at www.theyorkshiremarathon.com and a member of the team will be in touch closer to the day.

I would like to thank you, once again, for your truly brilliant support of the event so far, in advance for your support of the Yorkshire Marathon and Yorkshire 10 Mile in 2016.

Kind regards,

Tristan Batley-Kyle
