7. Discuss community engagement and future drop-in sessions
8. Website progress and what goes on it and when.
9. Finance and timescale.
10. AOB – Date of Next meeting.

Hi Bill, Hope you are well. Sorry to return to the subject of meetings and their timings. I remain of the opinion that to demonstrate a genuine effort to comply with the requirements of community engagement, meetings should be held when they are accessible to most residents, ie evenings and weekends. Also, I think meetings should be held more often, probably lasting longer in order to properly discuss subjects before they are written.

Best wishes. Richard.
