

Heslington Neighbourhood Plan

Minutes of the meeting held on 5th November 2015 at the Outgang Pavilion

Present: - Bill McClean [BM], David Blacketer [DB], Nick Allen [NA], Richard Frost [RF], John Lawton [JL], Tony Loffill [TL], Ifan Williams [IW]

Apologies were received from Andrew Collingwood, Niall McTurk, Louise Wheatley

1. BM welcomed all attendees.
2. Chairman appointment. Andrew Collingwood wished to stand down. David Blacketer agreed to serve as temporary Chair until CYC approve the PC's application in its current form.
3. BM reported on discussions with the University and their refusal to agree a boundary unless it excluded the area at the end of Low Lane which they hoped would be allocated or reserved for the University.
4. BM reported on a meeting with Martin Grainger at CYC from which it was concluded that either the plan should include the whole of the parish or very convincing arguments would be required to show a) why the PC wanted a Neighbourhood Plan and b) why it should not include the whole parish.
5. Agreed that the purpose of this meeting was to draft a document to set out strong and clear arguments for a division of the parish.
6. The meeting discussed at length the themes to be included in any document and the need to make positive statements based upon the notes produced on Aims and Objectives by WM, DB and RF. Agreed that this should be circulated for comment and submitted to the PC in time for their November 17th meeting.
7. Next meeting – WM to circulate 3 alternative dates in January.
