PARISH COUNCIL INDUCTION PACK This is available on the Parish Council website for anyone interested in becoming a councillor.

CYC DRAFT LOCAL PLAN City of York Council submitted the city's draft Local Plan to the Government for inspection on Friday 25th May 2018. The Council met its deadline of submitting the plan, following agreement to endorse the draft plan at a special Full Council meeting on the 17th May. It also means York has met the timescales previously agreed with the Secretary of State for Housing, Communities and Local Government.

The Planning Inspectorate has since been in contact with City of York Council, including in relation to both the need for growth and the need for protection of the green belt.

The Council will now engage with the Planning Inspectorate on these issues, leading to a Public Examination on the Local Plan later this year. Regular updates will be provided on the Local Plan submission webpage at: www.york.gov.uk/localplanexamination. You are very welcome to contact your local councillor Keith Aspden with any queries, email: cllr.kaspden@york.gov.uk.

HESLINGTON PARISH NEIGHBOURHOOD PLAN The Parish Council Working Group has continued development of our Neighbourhood Plan, preparing the necessary environmental reports that are required. Further meetings have also been held with York Council on the technical matters to progress towards a pre-submission draft. The Neighbourhood Plan once approved, will form part of the statutory guidance for planning decisions in the Parish. It will set policies that will influence future planning matters. If the York Local Plan proposals are approved it can influence how these developments are implemented. Further news will follow as the plan evolves and there will be an opportunity for residents to review the plan and make comments. These arrangements will be well publicised in advance. For more information see the village website or contact the Parish Clerk. Dates and venues of Meetings can be found on the Village Notice Board.

SPORTSFIELD REPORT The Sportsfield was given to the village in 1963 as a recreation ground. The Sportsfield management committee want to encourage as many local residents as possible to take an interest in its well-being and in the clubs which play here. We do need more village representatives. Heslington Cricket Club is just completing a successful season. They have a growing junior section covering under 9, 11 and 13 learning the game. There are currently two senior teams playing Saturday cricket as well as a midweek team playing on Wednesdays in the Foss League. They hope to field a third team next season. Heslington Football Club is looking forward to a successful season with one team. Fulford Football Club is a FA Charter Standard Community Club with 28 teams this season. The club has 356 playing members with 37 seniors and 239 girls and boys in their junior section who play weekly at the Outgang on Saturdays and Sundays. There are links to each club on the Sportsfield website heslingtonsportsfield.com - please give us some feedback and support. The field and pavilion are also sometimes available for hire.

STUDENT NOISE For University Security call **01904 324444** who will log any noise complaints from residents, but are unable to act if the incident is off campus. If noise is excessive call the police or CYC Noise Patrol (see phone numbers at the end of Newsletter).

VILLAGE MEETING ROOM Situated off Main Street opposite the Deramore Arms and behind Linden Cottage, the Meeting Room is available for hire at a reasonable charge for regular activities and for one off meetings, parties etc. Visit the website at www.heslingtonmeetingroom.net or phone **01904 422130** for further information and bookings. With the help of a generous grant from Yorventure and a Ward grant, the Meeting Room kitchen has been refurbished and redecorated. The facilities include an electric oven and hob, kettles, a microwave and a small fridge freezer. It is hoped that the Main Hall floor will be refurbished shortly.

DOG FOULING This has been reported by the Lengthsman in Tally Alley. A reminder that it should be removed by the dog owner and deposited in one of the bins located in Main Street, Low Lane and the Outgang.
