Update: City of York Local Plan New information has led to two changes: (i) the predicted annual housing need for York has been reduced; (ii) Strensall Barracks has been excluded as a site for housing owing to the risk to Strensall Common. This has resulted in a series of proposed modifications to the Local Plan. The independent Planning Inspectors required a further consultation period which ended on 22nd July 2019. Heslington Parish Council arranged a public meeting with our MP Julian Sturdy on 11th July, to discuss the possible impact of the Local Plan on the rural nature of Heslington. Comments from the meeting have already been circulated to residents. The Parish Council has since submitted comments on all the relevant Proposed Modifications and related documents. Regular updates on the Local Plan can be seen at: www.york.gov.uk/localplanexamination. You are very welcome to contact local councillor Keith Aspden with any queries. Email: cllr.kaspden@york.gov.uk.

York Wheels York Wheels provides low cost door-to-door transport for elderly people and those with learning/disability/mobility problems who are unable to use public transport facilities. **PLEASE CALL 01904 630 080** to book.

Community Engagement Survey CYC is conducting a survey among on how they engage with councillors and how they would like to be engaged in the future. A short survey (5-10 minutes) is available on line at www.surveymonkey.co.uk/r/8ZTKM3

Neighbourhood Plan The Parish Council has now approved the Submission version of the Heslington Neighbourhood Plan. The next step is to submit the Plan to York Council with its supporting documents. York Council will then organise a further consultation on the Submission version. This consultation is likely to take place in October 2019 and all comments received will be forwarded to an independent examiner for review.

Antisocial Behaviour/Criminal Damage University term starts the last weekend in September, 28th/29th. Streetwise will be operating night patrols in Heslington for 2 nights a week. The Parish Council is working alongside the Police and the University to tackle antisocial behaviour within the Parish. Should you be affected by antisocial behaviour, please report details of the incident to the Police on **101**; for criminal damage **999**, and ask for an incident number, as well as reporting to the University on **01904 324444**, if thought to be student related. To help in our discussions, the Parish Council will be pleased to receive details of incidents to identify problem areas.

Heslington Sportsfield It's all change at Heslington Sportsfield. Bill McClean has stepped down as committee chair and handed the reins to Tom Pearcy. The committee and the whole Parish would like to thank Bill for the sterling work he has done chairing the committee for the last few years.

The Sportsfield is home to 2 thriving sports clubs, Heslington Cricket Club and Fulford Football Club. Whilst the cricket season is well underway, the club always welcomes new members. There is a vibrant junior club practising on a Friday night, you can find out more at www.heslingtoncricket.com

Fulford Football Club is now holding a Thursday night session for girls between 5 and 11 years old, and after the recent success of the England team I'm sure there will be lots of junior 'lionesses' heading that way! You can find out more at tjshorney78@gmail.com

The Sportsfield also has lots of exciting play equipment for kids; however you may have noticed that the surface under some of the play equipment is in poor condition. We are applying for grants to enable repairs to be made, but it is a long process. Unfortunately the Sportsfield struggles with funding. If there are any generous donors out there, that would like to help maintain this valuable local asset, then we would love to hear from you. Indeed if you have any comments at all about the Sportsfield you can contact us at heslingtonsmc@gmail.com or

www.facebook.com/heslingtonsmc. Alternatively you can contact our Chair Tom Pearcy at Tom@yorkmaze.com.

Planning Applications The PC is able to comment on all planning applications within Heslington parish. Residents with concerns about or objections to any planning application are welcome to attend the public session to give us their views or to make their views known in advance of meetings by contacting the Parish Clerk. Comments to CYC on behalf of residents are posted on the CYC website.
